NOTES

¹Non-member price is listed. Postings are cross-posted to *Engineering & Science Career Network*

²I've inquired with an APTA rep, but it looks like they don't have an online "career center", rather they have a classifieds section within their monthly publication, *Passenger Transport*. Cost estimate listed is for 350 words at a rate of \$1.36/word. These will appear online as well, however: <https://www.apta.com/passengertransport/Pages/classifieds.aspx>

³DC Network is a non-profit arm of dc.gov. Postings are free and unlimited.
