RESOLUTION RE-NUMBERING RESOLUTIONS OF THE WMSC

WHEREAS, prior to certification of its State Safety Oversight program by the Federal Transit Administration, the WMSC adopted eight resolutions;

WHEREAS, those resolutions were numbered to reflect the fiscal year of their enactment;

WHEREAS, the WMSC desires to re-number its resolutions according to the calendar year of their enactment combined with their order of enactment;

WHEREAS, future resolutions shall be numbered according to this convention, with the calendar year of enactment followed by an “R” and then a number reflecting where that resolution falls in the chronological order of resolutions passed that calendar year; and

WHEREAS, nothing herein shall change or modify the substance or force of any WMSC resolutions now in effect.
